

Child Safety and Minor Protection Policy

Last Updated: March 2026

Foundation of Research in Careers & Education LLC is committed to maintaining a safe environment for all student participants.

Parental Consent

All students under 18 must be registered by a **parent or legal guardian**.

Parents consent to their child participating in live sessions, discussions, and collaborative learning activities.

Moderated Environment

Program sessions are conducted in moderated online environments.

Facilitators oversee discussions and activities to ensure respectful interaction.

Code of Conduct

Students must:

- treat others respectfully
- avoid harassment, bullying, or offensive language
- maintain appropriate online behavior

Violations may result in removal from the program.

Communication Guidelines

Students should communicate only within approved program platforms.

Private or unsupervised communication between participants outside program spaces is discouraged.

Reporting Concerns

Parents or students who observe inappropriate behavior should immediately report concerns to:

support@forcescholar.com

We will investigate and take appropriate action.

Removal for Safety

The Company reserves the right to remove participants who violate safety guidelines.
