

Privacy Policy

Last Updated: Mar 2025

Foundation of Research in Careers & Education LLC ("we", "our", or "us") values the privacy of students and parents participating in FORCE Scholar programs.

Information We Collect

During registration we may collect:

- Student name
- Parent/guardian name
- Email address
- Phone number
- Student age
- School information
- Interests and academic background

How We Use Information

We use this information to:

- register students for programs
- communicate program updates
- coordinate sessions
- manage community groups
- improve our educational programs

Communication

Participants may receive updates via:

- email
- WhatsApp
- program announcements

These communications relate only to program participation and updates.

Data Protection

We implement reasonable administrative and technical measures to protect personal information.

However, no online system can guarantee absolute security.

Children's Information

Our programs involve students aged 12–18.

Registration must be completed by a **parent or legal guardian**, who consents to the collection and use of information necessary for program participation.

Third-Party Services

We may use third-party tools including:

- Zoom (live sessions)
- Razorpay (payment processing)
- messaging platforms such as WhatsApp

These platforms operate under their own privacy policies.

Media and Student Work

With parental consent, we may showcase student projects, presentations, or testimonials for educational and promotional purposes.

Updates to Privacy Policy

We may update this Privacy Policy periodically.
