

Student Conduct and Community Policy

Last Updated: March 2026

FORCE Scholar programs rely on collaborative and respectful participation.

Students are expected to follow these community guidelines.

Respectful Interaction

Students must treat peers, mentors, and instructors with respect.

Harassment, discrimination, bullying, or disruptive behavior is prohibited.

Appropriate Use of Platforms

Program platforms such as Zoom and WhatsApp should be used only for program-related communication.

Students must not share:

- offensive content
- inappropriate messages
- spam or promotional material

Academic Integrity

Students should complete work honestly and respect intellectual property.

Removal from Program

Participants who violate these guidelines may be removed from the program without refund.
